Approval for data protection

In the framework of the project „PuG: Development of new extra-occupational study programmes in nursing and health sciences (Federal Ministry of Education and Research)“ expert interviews are conducted. The participation is voluntary.

Responsible for the conduction of the interview and always available for questions is:

Interviewer:	xyz
Contact data:	xyz

- The responsible person ensures that all data collected is kept strictly confidential and used exclusively for the agreed purpose.
- The interviewee declares her/his agreement with the sound recording, the taking of notes during the interview and the scientific analysis of the interview. At her/his request, the interview can be interrupted or aborted at any time.

The sound recording, the notes and the material will be treated as follows:

- All names will be anonymised during transcription.
- The recording and the notes will be protected from unauthorized accessed and deleted as soon as the study is completed.
- The interviewee may withdraw her/his consent in whole or in part at any time. The revocation must be addressed to the person responsible.

Approval

I read the approval on data protection and agree with the data use.
